Treasurer – Pat: Answering service charging us 300. Price is based on groups volunteering. Read the report for December. ***See treasurer's report attached.*
Answering Service bill 300\$. Talking about how we can get a non profit status for answering service. Why do we provide prudent reserve on budget account? It is a separate account and it is put on the spreadsheet.

Alt. Treasurer – Sallie - No Report

Secretary – Cynthia: Please review and accept the minutes. They were accepted.

Communications – Brian: There was a change to the AA Hotline sign-up sheet. Lynda researched the TCIO bylaws and there is no sobriety requirement defined within the bylaws. Based on our discussion, I updated the document to state that each group is responsible for defining the requirement and that this team is recommending 90 days. We can definitely bring this up at our next meeting if the group thinks we need to discuss further.

I also updated the 12 step documents to clarify that the volunteer's information may be distributed to anyone providing coverage for the hotline.

Please note, the sign-up sheets out there are only templates. You can modify them to meet your needs, but we wanted everyone to have a starting point. Only PDF copies of the documents are on the public page. If you would like to customize them for your group, you can find an editable version in the password protected section of the Communication page.

I will send an email once the web page has been updated with these changes. I am trying to be sure I have everything in order to make it easy for Christy T prior to sending.
