12 Traditions -Emily; TCIO Purpose – Lela

Chair-Emily-Over the past few months and especially since Governor McMaster lifted the Stay at Home Order in South Carolina, many groups and members have questioned what steps to take and whether it is safe to have in-person meetings. Per our Fourth Tradition, each group should be autonomous. Therefore, these decisions should be made by the individual groups, keeping in mind factors to consider including local and state guidelines as well as requirements of individual; meeting facilities. As AA's it is our hope that we would try to stay socially responsible while continuing to carry the message.
