Treasurer Report: Kathleen J.

The current TCIO budget is contained in the email with the minutes for a visual. The current amount in the bank is \$6,153.97. All of the content was discussed during the meeting and the report was accepted. It was clarified about there was a discrepancy previously in December 2023 pertaining to events funds but that has since been rectified within the current report reflecting those changes. Below is the updated group contributions report.

Alt Treasure Report: Jak

There was no Alt-Treasurer report provided during the meeting.

Communications Report: Jennifer

Communications had their last meeting on July 2nd where days/times were picked for groups for the months of August and September. This meeting had great participation. Groups are requested to provide Jennifer with volunteer names to her this week (July 22nd-28th). The next communications meeting is 9/3/24 at 7pm to pick for October and November.

Events Report: Paul C.

Soberfest is on 8/17/24 and volunteers are needed for help setting up and cleaning up after the event. Each one of the 4 districts needs to elect a speaker for a speaker panel during the event. Paul's contact information is as follows for those to send names of volunteers to him.

❖ Paul C. (pchernoff0962@gmail.com or 803-917-4245)

Paul has the venue booked for Thanksgiving and New Years events.

PI/CPC Report: Charlene C.

The committee stuffed about 150 packets for the "Sponsor your Doctor" project. There are some located on the metal shelves at TCIO office if anyone would like to pick them up and take them to their district or home groups. It is stated that anyone can take a packet as long as they plan on bringing it to an appointment with a doctor, NP, PA or any other medical professional. They are also trying to get PSA's played on the radio for the months of September, October and November. Charlie the PI representative for Area 62 is asking for help with financing as PSA's are very expensive. District 70 recently approved \$300 to go toward PSA's, and we are planning to use the rest of our budget with Intergroup (\$300) to go to this project. The next PICPC meeting will be on September 15.

Treatment Report; Kevin O.

H&I commitments reportedly going okay. The commitment with Stillworthy was lost due to groups not showing up consistently. It is reported that Shield Ministries is still in hiatus and the plan moving forward is unknown at this time. Kevin is trying to work with district treatment and group reps where a list is being made for impromptu fill-ins in case groups cannot make it or to also find new commitments. Lastly, it is reported that all available H&I

Web Master Report: Christie C

It was reported that the website has had necessary changes made pertaining to the display of Zoom and In-person meetings. The website now displays the correct information. The schedules have been updated as of June and the schedule will be sent to the office manager for printing. The Alt-Data Master was present during the meeting as well.

Office Manager: Michelle M.

There was a new printer purchased due to issues with the old printer. This is going to be used to mass print meeting schedules. **If schedules are desired, then call by Wednesdays to the TCIO office and request then they will be printed for pickup.** The office hours are open normal hours now that office workers have been filled.

Old Business

There was an initial vote on the revised ByLaws having 11 votes which met quorum. However, there was insight provided by Craig M. from Keystone group about not being in favor because of the new wording in the Revised ByLaws pertaining to meeting schedules. The wording in questions was stating that

“TCIO will maintain” the meeting schedules opposed to the current wording being “maintained and supply”. There was an inquiry about if anyone wished to change their vote which prompted another vote be done. There was a second vote where 8 voted in favor where the ByLaws were unable to be accepted.

****There was a motion to add “maintain and supply” meeting schedules into the new ByLaws. There was no other discussion about any changes to the ByLaws except for that.**

New Business

There was an inquiry about the 1,000 meeting schedules being printed after the last meeting in June 2024 and whether or not that was done. There was clarification that there were issues contacting the printing company and that is what prompted the new printer plan. As stated above, the meeting schedules are being provided on an as needed basis based on the requests by the groups.

There was a suggestion to change the legend of the meeting schedule for the Grace group because of it currently being incorrectly listed. It was stated to email the TCIO email for that to take place. That email is office@tcio.org.

There was a motion to schedule an Ad-Hoc meeting to make the changes to the revised ByLaws. However, it was stated that individuals needing to be included were not present for the current meeting so they would be contacted electronically for that to be set up.

Next TCIO meeting will be on Sunday, August 18th, 2024 at 4pm.
