## **Officer Reports**

### **Chair Report: Ashley W.**

**It was reported that there is prudence occurring looking for another TCIO office space. There is no current date at this time of when the office has to move but as the means to prepare alternative office space. It was reported that if anyone has any ideas about any potential office spaces to let Ashley W. know or anyone else from TCIO.**

### **Alt Chair Report: Nick**

**Report provided that Nick continues to update the TCIO monthly report that he sends.**

### **Secretary Report:**

**Attendance collected along with group representative attendance and email addresses. It was requested that if reports can be provided prior to the meeting for chair members than that is much appreciated to help with producing accurate minutes.**

### **Treasurer Report: Kathleen J.**

**The current amount in the bank is \$8,482.53. It was reported that group contributions are up with the graph below demonstrating the contributions. Kathleen proposed to send out unapproved reports to everyone prior to the meeting to ensure more than one eye looked at the treasure's report prior to the meeting.**

It was brought up about the printed group contributions report that the Zoom amount was incorrect on the chart and should have read \$348.58. That correction brings the correct total expense amount should be \$25, 184.64. It was articulated that is not what the bank account represents but the log below represents the correct amounts discussed during the meeting.

**The treasure's report was passed with the amended changes and is attached in the email with the minutes.**

Kathleen made mention that the Alt-Treasure report remains vacant where she has someone interested but nothing confirmed as far as being interested. It is beneficial if anyone interested has working knowledge of how to work Excel. If there are any inquiries about filling that position, then contact Kathleen J.

The other current TCIO financial reports (bank statement and group contributions) are provided below for a visual.

## Alt Treasure Report: Vacant Position

### Communications Report: Jennifer

It was provided that groups need to get volunteer names to Jennifer this week for September schedule. The next communications meeting is September 3rd at 7pm to pick for October & November group time spots. This meeting will be in-person along with on Zoom. Jennifer reported that calls not being answered have significantly reduced.

### Events Report: Paul C.

Soberfest was held yesterday on 8/17/24 and went very well. Paul gave thanks to everyone who came and helped it to run smoothly. It was stated that Scott C. provided food and labor cooking it all at his expense and made mention of gratitude for him doing that. It was stated that funds spent for the event will be discussed in the September TCIO meeting in the treasure's report.

Paul inquired about whether or not Spiritually Lit would return as a TCIO an event this fall. There will be further information provided in upcoming meetings.

### PI/CPC Report: Charlene C.

The area 62 PI committee will be paying for the first two months of PSA's in Charleston. These will run in September and October. Once these have played, the intergroup and district can decide if we want to continue paying for these PSA's from our own budget. There will be more details on which radio station and what times these will be playing next week. The next PICPC meeting is September 15th at 2:30pm. PICPC will decide whether or not to continue doing such with radio airing and if so, they will decide how frequently that will be.

## Treatment Report; Kevin O.

Kevin reported that all treatment commitments are currently filled and there are no issues nor updates other than that. He denied receiving any notification of a group not showing up within the past month and gave thanks to that being attended. Kevin reported that he has gotten schedules for treatment centers to have them.

Kevin mentioned there is something in the works where someone leaving a treatment center can obtain a Big Book by showing up to a meeting and providing a “pink chip” that was given while they were at a treatment center. It was explained that this is in the early stages at this time.

There was a motion made to have TCIO pay for the books that are provided made by Craig. Michelle provided reminder that TCIO office is having to move at some point and all funds are needed or TCIO office is not going to exist. **The pink chip method and TCIO paying for it was tabled in New Business.**

## Web Master Report: Christie C

The report was provided that Christy has just been managing schedule changes and that she has been in sync with Michelle M. where they are using a shared drive used as the way of sharing information. **Meeting schedules will be updated on the TCIO website and for the TCIO office to print prior to this meeting each month.**

## Office Manager: Michelle M.

**Michelle reported being in communication about changing vendor for plastic chips for cheaper rates.**

**Michelle proposed that the cost for metal 30- and 60-day chips continues to rise per chip. It was mentioned that if the groups wanted to change both of those to a plastic chip, then that would permit more funds and be more cost effective.**

**Regarding a new office space, Michelle reported having been in contact with a realtor where the realtor has the means to conduct a refined search of the area. Michelle told the realtor for the area to be looked at being North Charleston since it is centralized. She provided him with a ballpark square footage size for him to provide potential locations. Paul offered to assist with the office space search.**

**Printing of schedules have now resumed since now having the correct printer in order to do so.**

### **Old Business**

**There was nothing to be discussed in Old Business except for the By-Laws which were discussed in new business.**

### **New Business**

**The pink chip treatment center token discussed tabled to discuss at a later meeting about whether or not TCIO will fund this idea.**

**Ashley W. discussed By-Laws changes that were made to include Berkeley having the correct spelling along with the verbiage about meeting schedules being distributed. Other notable changes were Alt-Web Master position and Events**

chair being added as a committee chair position. The By-Laws will be sent out for groups to review for an upcoming

Angie M. provided suggestions about cost effective ways for upcoming events. It was discussed about how the groups used to donate food to events.

**Next TCIO meeting will be on Sunday, September 22<sup>nd</sup>, 2024, at 4pm.**
