### **Communications Report: Jennifer**

Communications had their meeting on 5/6/25 for groups to pick days for June and July. There were 15 groups that participated where it permitted the ability to have two nights shifts during the week which consists of 2 on Saturday and 3 on Sunday. Jennifer reported that the bill has increased due to not having volunteers available during the day office hours. It is reported that communication is imperative to get these shifts covered. The next communications meeting will be on 7/2/25 at 7pm on zoom and in person at the TCIO office. Jennifer is asking that groups have volunteer's names for June to her by the last week of May.

### **Events Report: Paul C.**

It was reported that Founders Day is coming up on 6/1 at James Island County Park that starts at 10am at the Wappoo Shelter. Paul reports that he has set up volunteers and clean up volunteers already in place. He stated that there will be things that make the event kid friendly, and the speaker is coming from Columbia. The speaker meeting will begin at 1:30pm. It was brought up about the event of not having a 50/50 raffle for cash prize despite this having been done previously historically. It was reported that there will be a 50/50 for a gift basket.

### **PI/CPC Report: Charlene C.**

It was reported that there is only 5 clergy packets left, and 150 have already been distributed. There are Spanish packets as well which need to be distributed to churches with high Spanish speaking populations. Charlene requests anyone with ideas about getting those out into the community please feel free to grab the packets.

Charlene is reaching out to nursing schools on how we can get in with nursing students to provide information on AA. She denied having any success in reaching anyone yet but will keep working on it.

It is reported that one of our members is working on gathering contact information for all the representatives of the groups in the Tri-County area so we can assign libraries to each group and have them check in with those libraries every few months to see if pamphlets and books can be stocked. If your group has a PI/CPC rep, then the PI/CPC would love to have their information to add to the list.

PI/CPC will have a table at Founder's Day to help provide information about PI/CPC and what this committee does.

Charlene reported that she is leaving Charleston at the end of September and that a new chair is supposed to be appointed to rotate into the position in January based on elections. She is verbalizing this for this to be known ahead of time in order for the position to be filled. If anyone is interested or knows anyone that is interested then Charlene can be contacted for
